There must be something about the name 'Angel' that makes the chicks who've got it want to rebel against it. After all, there's nothing angelic about the chicks of Burning Angel, who let us witness their anal poundings on set (p56) or porn star Angel, who lets Marco pound her pussy (p84). But good behavior is overrated anyway – why else would we be such huge fans of Jasmine, a babe who isn't happy unless she gets double the dick most chicks can deal with (p20). We like to give you more cunt than you can cope with too – check out the sizzling lesbian Toys In Babeland threeway (p40) and you'll be praying for a third eye...

MY SEXY SECRET!

"SHE LOVES SUCKING MY NIPPLES!"

I never dreamed of fucking another girl until my friend Michelle and I were talking about bras. Mine never seem to fit right and I was complaining about it when Michelle told me she used to have the same problem until she had a bra fitting. She asked me to show her and I didn't hesitate – we'd shared a shower at the gym before now so I wasn't shy with her.

It was only when she started circling a nipple with her finger that I realized she had an ulterior motive! I didn't stop her – it felt way too nice and the way my pussy was getting damp told me to keep going. I **asked her to show me how her** bra fitted and, when she did, I started sucking on her titties.

We soon forgot all about bras, although not her tits, which I couldn't stop licking even when she had two fingers deep in my wet cunt. She pulled them out and smeared my own juice on my lips, which is just about the horniest thing I've ever experienced – I started cumming and she didn't let me stop. My bras still don't fit right, but it doesn't matter because whenever I'm with Michelle, I'm always taking them off anyway!

Gettin' laid by Barrett Blade in Wicked's *What Girls Like*.

HEIGHT: 5'3"
WEIGHT: 110 pounds
VITAL STATS: 32D-25-34
HOMESTATE: Southern California

How did you get started in the adult industry?
I was curious and always interested in the business so I wanted to appear in all the magazines but I didn't know how to get into it. I went online, explored the adult industry and hooked up with a talent agency. I was always pretty sexual and promiscuous. I was a little slut and my very first sexual experience was actually with another girl. I always liked girl/girl porn and masturbated to that most of the time.

Is that your favorite porn to watch?
Yes, definitely the girl/girl stuff, old-school, real porn, passionate porn, pretty yet dirty. I still watch it but I watch it differently now, critiquing, looking for people I know, looking for me... I have all the channels! I don't really have favorite people to watch but you know how you can tell when someone's really into it and they're not just fucking for work? That's what I like to watch. I have no preference other than the real sex.

Do you still like to masturbate?
Oh god, yes! I'll have masturbation marathons where I'll just sit and spend like three hours making myself cum and that's the only time I ever squirt. When I masturbate I use toys, I like vibrators, dildos, everything, I like my showerhead! I have a couple, one's flexible and one's stationary and they have multiple speeds but they usually get me into trouble and make me late for everything. I get in the shower before I go to work and figure I'll just have one orgasm, and then two and then three and then four...

Do you get off for real in your sex scenes?
Oh yes. I did a lot more in the beginning, I think just because of the excitement and how new everything was to me; I got off in pretty much every scene.

What turns you on?
I like to be dominated by men (some girls too, but usually I dominate girls). I like confidence, but not arrogance or cockiness, that's a turn-off. I love outdoor sex, I love having sex in places where you can get caught, I like the whole excitement of it. Before sex when I'm talking to someone I'm attracted to humor; you have to have a good sense of humor and make me laugh. In physical traits I like big shoulders, I like tall men that can throw me around.

What turns you off?
Bad hygiene. That is just the nastiest thing.

What was your first scene?
It was *In the VIP* for a Reality Kings website and I worked with Savannah Gold and a guy called Josh. They hire 200 extras, all girls, and they rent a space out and they film all these girls hooking up. The girls can do as much as they want and the scenario is that a guy goes in the VIP room, he meets a couple of girls and he gets lucky. So that central boy/girl/girl scene was my very first and I was very nervous but it was exciting and I was ready for it. Savannah was very sweet.

Do you have a favorite sex position?
I have two actually. I like cowgirl where you can ride the cock and rub the clit and cum over and over again. My other favorite is doggie because I like being bent over completely with my ass all the way up, splayed, and I can rub my clit and all that good stuff.

Do you do anal as well?
At home, but not on camera, I'm saving it for my website. I play with my ass a lot and I've done an anal toy scene but that's it. I love it though.

Does cock size matter?
Yes and no. I can't work with a tiny, tiny penis. I can probably cum off one but I'd be doing all the work and really need to concentrate. Too big can hurt too much unless I'm super, super horny; I prefer an average-sized guy. I like girth as opposed to length.

Do you spit or swallow?
I've never spit out cum in my entire life. For porn I'll gurgle it and let it drip out of my mouth down my chin. I like swallowing it, I like it messy, I like it dirty, you can shoot it

Myka Rain and Erik Everhard ring Brooke's Belle in Jules Jordan's *Innocent Until Proven Filthy 4*.

anywhere except my eyes. Tits are fun, ass is fun, I like it on my asshole, dripping down my asscrack, that's fun. If only I were flexible enough to reach around and lick it off my ass.

Do you prefer scenes with people you've worked with before or new talent?
I'd have to say I generally prefer working with someone I've worked with before just because over time I've had a few bad experiences, where in the beginning it was all just new and exciting. Now I'd rather know what's ahead of me. There's still times when I don't know who I'm working with and most of the time it turns out really good.

Who are your favorite people to work with?
I like Tommy Gunn because he's so professional, he's really sweet, he gets into a scene, he totally enjoys sex and he'll go over the top to make it a great scene. I also like working with Justin Magnum, he's kind of in and out of the business. For girls I like Angie Savage, she's a doll and she's hot and I like Kendall Brooks. We worked together in a boy/girl/girl and she took me home to her boyfriend afterwards. We had fun all night and have been friends ever since.

Is there anyone you'd like to work with that you haven't had yet?
I want to work with Audrey Bitoni because I haven't yet. When I first started I was at my agent's house having pictures taken and Audrey was there and she's really hot. I think she puts on a great scene and gets into it so she'd be a lot of fun to work with.

What is the perfect pussy like and who in the biz has it?
My girlfriend Lichelle Marie has a nice, pretty cute little pussy. Amy Ried's my favorite, I like her.

Who do you think gives better head – men or women?
I've had both be really, really good and I've had both be really, really bad so I don't think it's a matter of gender. I've been with both men and women who were equally talented with that.

Do you have any fantasies you've yet to fulfill?
I think I've done almost everything so it's hard for me to fantasize. I'm sure there are still some things but nothing I can think of. I've been with a married couple; I was actually part of their marriage, that was pretty spicy; I've had sex during a football game; I've done the whole dress up thing, role-playing; I've been with two guys, I love it all. I'm definitely open-minded.

How do you feel about working in group scenes?
I did *Big Boob Orgy* for 3rd Degree and there were around 30 girls and 15 guys but I don't really like working in groups because it's just a madhouse and I can't really enjoy it. I'm more of a one-on-one, or a threesomes girl and I can get more turned on by that. One person concentrating on me, me concentrating on them, there's more heat and more involvement. I did one scene with two guys for Red Light District in *New Chicks Cum First 5* where I worked with both John Strong and Michael Stefano.

Brooke provides some on-set catering for Barrett.

Let's hope Brooke has got the medical insurance to cover that dicking.

What type of sex scene do you prefer, soft and sensual or rough and hard?
I like both. I like it to start soft and sensual with a lot of foreplay and then end up hard. I can either start out really hard and really crazy in the beginning or I can start out passive but every single time it ends up hard.

Have you learned anything new from working in this industry?
Giving better head, choking on it more and deepthroating. I'm totally open to try anything once and my personal sex life has gotten much better too, so that's a plus.

What's the most sensitive part of your body?
Definitely my neck, right where the clavicle bone is. Right there.

Do you dance in clubs?
I don't but I'm probably going to start. I'm going to try it out because I'd like to. I've got a pole in my spare bedroom and I can do a couple of tricks; I can climb the pole but I've got to get in better shape I think. It's hard work, but it's totally worth it.

Is there anything special you do to stay in shape?
I'm lucky that I'm athletic so I don't have to do much but I do work out. I have an elliptical in my house; right now it has clothes hanging on it! Work really keeps me in shape and you can tell when I'm busy because it shows. I like working out, going to the gym. I run and play with my puppy and that keeps me in shape too.

Where can your fans find out more about you?
www.BrookeBelleLive.com is my website and it's not quite done but I hope it's ready by the time this is printed. It's all stuff that nobody has seen but in the meantime you can find me at www.myspace.com/BrookeBelle520 or you can send mail to: PO Box 17216 Saticoy St., Van Nuys, CA 91406. ♠

SECOND HELPINGS!

Jasmine's a bit of a greedy girl, but only when it comes to dick. One cock is okay – as long as it's long and fat at the same time. One load of cum is fine too – as long as it's huge and creamy. But why stop there when you can have twice the fun? Which is why she's got Tom's dick deep in her throat and Ted's meat rutting away at her soaked pussy. Now she's a happy bunny.

There's still something she hasn't tried though, and that's having her pussy and ass filled with fuckstick at the same time. So after Tom fucks her ass for a few minutes, Ted taking his turn in her hungry mouth, she tells them she wants to be double-dicked. Ted moves quickly to her pussy and seconds later Jasmine is screaming her way through the orgasm of her life. Of course, being greedy, she still wants more, so after swallowing two loads of jizz, she tells them to get hard all over again... ♠

THE HOTTEST IN HARDCORE ACTION REVIEWED BY OLLIE KRILL

JIZZ RATING

CUM BLAST!
A TORRENT!
A NICE SPLAT!
A DAMP PATCH!
A DRIBBLE!

If porn companies worked in advertising, they'd be in court the whole time. MILFs who are only 20? Big tits babes who've got barely enough to fill a mouth? Big butt babes who can't sit down their ass is so bony? Yep, they're always testing our patience. Lucky for them, we're not rational beings with dick in hand...

HEAVY DUTY 2

STARRING: Abbey Brooks, Alexis Silver, Cassandra Calogera, Alisandra, Riley Evans, Rucca Page, Jessica Lynn, Mick Blue, Alex Gonz, Jenner, Talon.
DIRECTED BY: Gregg Alan.
AVAILABLE FROM: Diabolic.

THICK CHICKS / BIG TITS

I spent some time in Britain recently – enjoying their rain and bad dentistry – where 'thick' means something entirely different to the way it's used on the boxcover here. While we mean fleshy or well-built, over there it means they're none too bright. Personally, I'm happy to pick up a DVD with either kind of thick chick in it. If she's stacked – great. If she's dumb – also great. After all, I'm judging these babes by how they handle a dick, not how they do calculus.

I haven't tested Abbey Brooks' math skills yet, but I'll get to it once I've put my penis away. She passes the pecker test in scene one, riding Mick Blue until he unloads his genetic code on her tits – and this honey is just the right side of thick.

I didn't bump into Alexis Silver when I was in Britain – possibly because she was here in the US filming her scene with Cassandra Calogera and the exceedingly fortunate Alex Gonz. They both deepthroat him and he takes to their tits like a man to, well, tits. Alexis gets her butt breached, Cassandra throws some tit-fucking into the mix, and we all leave happy.

Alisandra is new to this pair of balls, but I'm already appreciating the way she wraps those funbags around a funstick. The result is fun, which ain't all that surprising. She gives a good old-fashioned slow blowjob before Mick stuffs her slot and makes her wobble in all the right places. He knows how to ride an ass, and rides hers to a podium finish.

Riley Evans isn't exactly a heavy-duty honey, but what curves she has are all sweet to these peepers, and my special third eye. Alex Gonz taps all her holes, some doggie anal standing out before he drops a meager load on her rack. Rucca Page is thicker – and hairier – and Jenner keeps the anal going although the tit-fucking is the standout here. I could have used some more of that in the finale between Jessica Lynn and Talon. She always looks right, but she could have done with an energy injection. I got it right here for ya.

SUMMARY: Nice mid-range girls and nice mid-range action. But some of these chicks are stretching the dirty dictionary definition of 'heavy duty'.

BLEACHED TO THE BONE

STARRING: Alexis Texas, Holly Morgan, Krystal Steal, Tanya James, Gina Lynn, Pat Myne, Mick Blue, Ben English.
DIRECTED BY: Danny Case.
AVAILABLE FROM: 3rd Degree.

BOTTLE BLONDES / STRAIGHT SEX

Bleached to the bone? I don't know why, but that title makes me think of horror movies, not porno. But then I glance at the cover, replete with a picture of Alexis Texas and her almighty ass, and I'm reminded this isn't a horror movie after all, it's a movie that intends to make my pants a happy place for the next hour or so. It's worth noting, for the record, that this is the first porno I'm aware of that aims for the sub-genre of fans of bottle blondes.

The first peroxided pecker-pleaser is Gina Lynn, and she lights up to Pat Myne's meatfeast mouth first. Looking down at Gina Lynn eating your cock would make men so premature they'd fire their cum backwards, but Pat manages to hold on long enough to test her twat from a few angles first.

Whenever I see Alexis Texas I get the feeling there are a couple of other chicks walking around without asses and with nothing to sit on because Alexis got their share too. She's got so much ass she's taller when she sits down. She interasperses dirty talk with sucking on Mick Blue's bone and he fills her cunt to the brim while she bounces around all over the place. She glugs down his cum and has rarely looked better doing so.

Tanya James is still finding her feet in the porno world, but Ben English doesn't need any help in finding her holes. She doesn't have the curves of Gina or Alexis, but she more than makes up for that with some hot tease and then plenty of kock-kraving kinetic energy. Great cowgirl and great doggie lead up to a great dousing with dick dew.

Krystal Steal blows hot and cold, but here she blows Mick Blue's dick pretty well to start off sweetly. It falls apart once she's getting porked, however, because she's as passive as ever. Seriously, does she even enjoy fucking?

Happily, Holly Morgan does, and she gives us a strong (and happy) finish by being the latest recipient of Ben English's penile generosity. Her pussy is almost as puffy as Alexis' ass is big. Imagine combining the two? Together they'd rule the world...

SUMMARY: It's solid stroking, especially with Gina and Alexis on board, but it's not going to set your dick on fire unless you're really, really into hair bleaching.

BIG WET TITS 7

STARRING: Amy Ried, Angelina Valentine, Whitney Stevens, Leah Livingston, Jada Fire, Anthony Rosano, Mark Ashley, Manuel Ferrara, Justice Young.
DIRECTED BY: William H.
AVAILABLE FROM: Elegant Angel.

OILED UP TITS / GONZO SEX

The central idea behind both the *Big Wet Tits* and *Big Wet Asses* series is genius in its simplicity. Take two much beloved female body parts, oil 'em up and fuck 'em. Simple, yes, but both these series have provided some of the best porn of the last few years. Watch them all in one go and all that will be found of you is a pile of ashes.

The formula isn't messed with here, as brunette Angelina Valentine treats us to some nice tease before unveiling her surgically enhanced tits. After these are amply oiled, Manuel Ferrara joins her and munches on her pussy. She does a good job of returning the oral favors but things don't kick into gear properly until he's riding her rack. Hot damn, it looks good in there, and Manuel goes through the gears. The fuck is eminently watchable, and Manuel ends the scene by rinsing her tits with rope after rope of guy goo.

Leah Livingston's tits don't really qualify as big, unless you're on the planet of the munchkins, but they certainly qualify as wet once they're smeared in oil. Anthony Rosano arrives but things never really kick off. I found myself watching a spider build a web in my apartment instead. Fuck knows why I didn't just press fast forward.

Jada Fire has got nipples as big as most chicks' tits, so seeing them all slippy and shiny is one of the best things in life. The only surprise here is that she doesn't give up her ass – she usually does – but the tit-fucking more than makes up for that, and Mark Ashley summons a goodly amount of jizz to baptize those boobs with. Whitney Stevens keeps her ass out of bounds too, and the lack of chemistry between her and Anthony Rosano makes her scene a skipper.

Luckily you're skipping to main attraction Amy Ried. Her tits are nigh on perfect, and Justice Young is all over them like a rash. Surprisingly, we don't get a tit-aimed cumshot at the end, Amy sucking down some population pudding instead. After all, you can only moisturize tits so much...
SUMMARY: Five scenes, three of them good – it's a guaranteed stroker, let down only by some tits that don't quite fit the billing.

BEAUTIES AND THE BEAST 2

STARRING: Bella Ling, Alyssa Dior, Lana Violet, Britney Stevens, Carmella, Boz.
DIRECTED BY: Paul Woodcrest.
AVAILABLE FROM: Vengeance XXX.

INTERRACIAL ACTION / GONZO

Let's not beat around the bush – Boz has got a big cock. It's the beast of the title, although he does spend a lot of time pretending to be quite beastly by pulling faces and sticking his tongue out. He doesn't need to – he's got a really big cock. Little Lana Violet is somewhat dwarfed by it, although she's so eager to get a piece of it she spends the start of the scene calling him impatiently. When she gets her wish, she doesn't waste it, stretching as much of her mouth around it as she can. Usually when a chick is outfaced by the dick she's with, it's not worth watching, but this is different because of the enthusiasm she clearly has for this big black rod. He starts off slow in her cock-socket before warming her up and going balls deep as he nails her pussy in doggie. If you look closely enough, you can see it in her throat.

The set-up for Britney Stevens' scene is annoying, but the sex is watchable and wankable all the way, although I got a little upset at the obvious disparity between Boz's third leg and my meager allotment. The sex is simple, unvarnished pounding from start to finish and the greed of Britney's box matches Boz's bone. Alyssa Dior isn't really a beauty, even by gonzo porn standards, so I didn't warm to her scene. Instead I rushed straight to Bella Ling's turn. It's strange – I'm not usually all that into Asian porn chicks, but I get all interested when they're teamed with a massive black dick. Bella is pretty interested too, eating as much as she can and then hiding the rest in her dirty dugout. This scene clicks from the start to the frothy ending.

Carmella's scene isn't quite as energetic, but she looks the best with the 'beast' in her mouth. She's another of those chicks bringing hairy twats back, but some things don't change, and her getting her cunt filled with cock and tits sprayed with spuzz is exactly what the doctor ordered.
SUMMARY: Does this get a high rating because it breaks the monotony of all those average films or because I like watching Asian chicks get drilled by big dicks? Both!

MOTHER LOAD 4

STARRING: Julia Ann, Jaycie Lane, Morgan Ray, Kylie Ireland, Phyllisha Anne, Claudia Valentine, James Deen, Marco Banderas, Sascha, Christian, Jenner, Mick Blue.
DIRECTED BY: Mike Quasar.
AVAILABLE FROM: Zero Tolerance.

MILFS / ONE-ON-ONE SEX

You never know what you're gonna get with MILF movies, and you never know what you're gonna get with Mike Quasar movies either. Sometimes you're left watching a bunch of over-the-hill heifers have weak sex, sometimes you're treated to chicks that barely qualify as newbies never mind MILFs. With Quasar, sometimes he's workmanlike, other times it clicks for him and all falls into place and penises the world over grin broadly. Well, this is one of those times.

It helps that he's leading off with Kylie Ireland. This thick redhead always gives 100 percent (my colleague says 110 percent, but he's no good with math) whether starring or directing, and this scene is no different. She slobbers all over Christian's knob, speeds it into her pussy and then, with indecent haste, moves it into her ass. The day she became an anal freak, the world became a better place. There's lots of ass to mouth, then a decent pop. Enjoy. I did.

I was never a big Phyllisha Anne fan in her first incarnation, but she's much hotter as a sex-crazy MILF. There's some back-story if you want it – I'll pass – but let's just say she plays the cougar to James Deen's prey and is happy with some hambone in her holes – all three, don't you know. Morgan Ray is new to me, and I don't think I'll be lining up to see anymore of her scenes – she is crazy of eye and wonky of tit. Someone should be speaking to their surgeon about a do-over.

Jaycie Lane is a dirty blonde learning German from Sascha. That must involve sampling the cuisine, because she's soon munching on his frankfurter. They share a nice fuck, and you can tell she's into it from the sweat she breaks into. Claudia Valentine is a really hot brunette who gets Mick Blue's bone in her mouth pronto when on a photoshoot with the stud. But it's the finale that tops this off sweetly, Lisa Ann's career renaissance proceeding apace as she damn near breaks off Marco Banderas' chorizo in her eagerness to suck and fuck it. She's supposed to be taking dancing lessons, but this is less tang-o, more bang-o.

SUMMARY: Stick-stiffening action pretty much from beginning to end, with Kylie and Lisa Ann being the main attractions.

ANAL ASSPIRATIONS 9

STARRING: Alektra Blue, Riley Evans, Jessica Woods, Claudia Rossi, Rebeca Linares, Priva, Talon, James Deen, Jenner, Pat Myne, Mick Blue.
DIRECTED BY: Sid Knox.
AVAILABLE FROM: Diabolic.

ANAL ACTION / PUCKER POUNDING

If I wanted to see some good anal action, there's no doubt I'd turn to Diabolic a lot of the time. These guys just know how to fuck a girl in the ass. It helps that they keep hiring girls who really know how to get fucked in the ass too. Take Claudia Rossi, for example. Okay, she's European – anal comes as standard – but she really takes it hard and deep from Talon in the opener. Her naturally hot body swallows up his meat ass first – reverse cowgirl is a surefire winner – and the only downside is a lame pop to the butt.

Asian cutie Priva doesn't let the side down either. The oral is deep, the anal deeper. Jenner doesn't hold back when it comes to pistoning that pucker, with memorable spoon and doggie anal and lots of nasty verbals from Priva before she wears some jizz jewelry.

I don't expect things to fizzle out with Rebeca Linares up next – and sure enough they don't. Hungry deepthroating convinces me that Rebeca has to get put on a cum drip whenever she's ill, and the anal is simply searing, Mick going balls deep and Rebeca's energy off the scale. Again, reverse cowgirl is the winner here, but whichever way that ass is getting tapped, it's prettier than the ceiling of the Sistine chapel.

Blonde cock-slut Riley Evans keeps it ticking over – she doesn't just deliver a yielding butt but a fine pair of ta-tas too. James Deen takes the opportunity to ride them as well as her ass, soaking them with spuzz for good measure. Jessica Woods isn't the hottest girl here, but I'm not gonna fault the way she takes tool like a champ. Still, Alektra Blue is the main event. I thought the days of her anal scenes were over once she signed with Wicked, but Diabolic must have had this one in the vault, Pat Myne fucking her mouth, pussy and ass in turn, hard and relentlessly. If Alektra's studio career doesn't thrill you, you can always come back to this. I know I will.

SUMMARY: Diabolic do what they do best – gonzo girls putting their ass on the line for intense sex. Mark this down as movie of the month. ♣

TOYS IN BABELAND!

Lauryn, Sandra and Cindy sure love their tongues and fingers, but when it comes to really getting nasty with each other, there's nothing they love more than their toys. When these three bi-babes miss out on cock, they know that just eating each other's pussy isn't going to be enough – they need the nearest thing to a fat prick they can find.

Of course, those fingers and tongues will do plenty fine for the warm up, Lauryn sliding two digits into Cindy's pussy while her mouth fastens on Sandra's soaking slit. That's real multi-tasking for you. And even when the toys are out and Sandra is fucking Lauryn's pussy with one dildo and Cindy's ass with another, she doesn't let her tongue stray too far away from the holes as she wants to lap up any cum that heads her way.

In the end, the hotties form a perfect circle – the sex equivalent of the Mexican stand-off – each with a toy slamming deep into some wet cunt, all three cumming hard again and again. Well, it'll do until some real dick arrives... ♣

BALLIN' ANGEL!

JOANNA ANGEL NEVER PLANNED TO BE A PORN STAR BUT, AS ACME ANDERSSON FINDS OUT, THE BRAIN AND BODY BEHIND ALT-PORN PHENOMENON BURNING ANGEL IS DEFINITELY ONE NOW...

Adahlia gets Joanna Angel ready for some anal lovin'.

Here's how it happened: Joanna Angel was just another student attending Rutgers University. She wasn't a stripper, hadn't watched – let alone performed in – any porno, and didn't think of herself a model. Then her roommate asked her if she wanted to start a porn site. And she said yes.

"I had no intention of starting a porn site or a porn company or a porn anything," Joanna says. "It just sounded like fun, like starting a band or something. I didn't know anything about porn, it just sounded exciting."

She also had the idea to mix the naked pictures with other content, like interviews with friends' bands. An English major, Angel was excited by the opportunity to write some funny and erotic stories and to solicit them from friends.

"We were punk rock kids in college," she says. "It was kind of like starting a zine and it became a reflection of my life. The only people that were going to be on the website would be our friends. We kind of tried to go to our sluttiest friends and we found it ironic that none of our sluttiest friends wanted to be on our site."

Armed with a complete lack of knowledge of the industry they were trying to break into and no money, they persevered. In order to get things started, Joanna realized she was going to need to get in front of the camera herself. She pulled out a bra and underwear set that she'd bought to wear for a boyfriend on Valentine's Day and she was ready to go.

"It was fun," she says. "I felt like a little sexual demon was in me. After that I

became a very good cheerleader for my own cause. I thought it was cool and I didn't see anything wrong with it."

The site launched with photos of Joanna and three other girls, five sets total. Updates were every six weeks (compared to the current four times weekly schedule). The target date was the day of a big punk show at a New Jersey skateboarding venue because they wanted to hand out fliers at the concert.

"We thought if we didn't get it up by that day there was no point in doing it at all," Joanna says, admitting that she doesn't even remember who was playing at what, at the time, seemed like the biggest show ever. "So we did it. I think if somebody has an idea, the best thing to do is to just get something up, even if it's awful, because then you're going to work on it and make it better. Otherwise you can have an idea in the works for years and just keep trying to perfect it before unleashing it. It's like a living, breathing thing that you can fix and work on. You have to make the commitment and once you go online you are going to get some kind of reaction from someone."

It was 2002 when burningangel.com went live and in the years since the reaction has been overwhelmingly positive. In an industry that seemed to have exhausted every possible niche,

Casper was still learning how to put on shoes.

Burning Angel tapped into a new market at just the right time. Her company predated the 'alt-porn' label and, unbeknownst to anyone involved, was started within weeks of Suicide Girls, with which Joanna and Burning Angel are often lumped.

It wasn't until a few years later that Burning Angel became, in Joanna's words, "like a real company." She had finished college and one of the girls she had shot for the site encouraged her to join her working at a strip club, which allowed her the financial freedom to run the company. She attended the Adult Entertainment Expo and went back to New York determined to grow the company. Step 1: Create a DVD.

"We had to go and start asking the girls on the site, and it was a big step for them just to pose for pictures; this was something different," Joanna says. "Before I even asked anyone I had to do one first. I did anal; I said if I was going to do it, I was going to fucking do it."

She found that it wasn't as easy as it looked. While it isn't brain surgery, there are tricks to putting together a commercially viable product. Her debut, *BurningAngel.com: The Movie* in 2005, wasn't exactly *Deep Throat*. But it got the ball rolling and she started figuring out how to get it together.

While things have long since come together for Burning Angel, she remains true to the original vision. The focus is on alternagirls rather than porn stars, though there is some crossover. There may be

One in the pink, one in the ink.

no criteria list, but there is a look – some combination of tattoos, piercings with hipster/indie rock leanings – that Burning Angel girls bring. Because it's so specific, a lot of girls with little or no experience come to her. Since she's always been willing to put herself out there, Joanna has plenty of advice. And here's a little oral insight from Joanna herself:

"You gotta jerk it a little bit, make eye contact, ask him, 'Do you like it when I do that? You like it like that?' Then go up and down with your mouth, get it all really wet with your mouth, then start using your hands and your mouth at the same time. Then take your hands off and use only your mouth, then just your hands, kind of like twisting them a lot. Men love their penises above all else, so you've got to make it feel special. Make love to it."

In the next few months Burning Angel is planning on unleashing several new sites, including one for every DVD line they produce (*Cum on My Tattoo, Fuck Me in the Bathroom*, et al), an overwhelming task for someone who got into the industry without really considering what she was getting herself into. And yet, seven years later, she has created a mini-empire, developed both herself and her company as viable brands, all without selling out the original vision. And while she promises never to put porn stars on burningangel.com, that doesn't mean the girls on burningangel.com won't become porn stars. Just look at Joanna. ♣

SPUNK SPECTACULAR

Some girls have a real problem with cum – they don't like the mess, or taste, or texture or something. I think they're crazy – for me, seeing and feeling a guy lose his load is the ultimate turn-on.

One boyfriend couldn't believe how much I relished sucking his dick. I gave his joint the full treatment and although he lasted longer than I expected, I had to pace things so he didn't shoot too quick. His prick wasn't actually in my mouth when he came – I was jacking him and sucking his balls. But I made up for it by licking up every drop from his belly.

When he was hard again I knelt up over his dick and used the head of it to frig my clit to orgasm. Then I took him inside for a few strokes before backing off to suck him again.

I love to have a guy cum on my tits – so much so I'd call it an obsession. So, when I felt this guy start to hit critical mass, I let him slide out and pointed it at my boobs, feeling it splash over me as I jerked him while he spunked.

So far, the wildest fantasy I've realized involved a group jizz bath, something I'd really wanted after seeing a gangbang porno. I told Rob, a guy I was dating – well, more of a fuck-buddy really – and he fixed it up for me with a couple of his hometown buddies, when they visited with him at college.

I promised Rob he'd be the only one to fuck me, as I dressed up in garters, stockings and tight PVC panties. I liked the guys – one of them, Tony, was barely taller than me, but he had the biggest cock of them all!

I just homed in on it, wetting it with my saliva before sticking it in my mouth. I could feel my lips stretch and soon I had a boner in each hand too. Tony didn't last too long and the first jet to the back of my throat caught me off guard. But I spit him out quick enough so that I got the rest of it on my boobs.

Next came the second buddy, Warren, for his sucking. I just let him thrust in, taking it

Although Rob hadn't cum inside of me, my cunt felt so wet and squishy in my tight panties as I sat playing with my tits

deep. Meanwhile, Rob couldn't wait so he got in behind – he loves my ass, and wanted to jerk off over the shiny panties stretched out over my cheeks.

My cunt may have been off limits to our guests, but when Rob decided he wanted to do me, I had no problem with that! In fact, the underwear had been rubbing me into a near-frenzy – that and all the excitement had gotten me wet and ready for anything.

Rob frigged my cunt, while jerking with his other hand, then got my panties down around my thighs so he could penetrate me. I let him do his thing, focusing on his

ANGEL & MARCO

Angel's a big fan of alfresco fucking. Marco is happy to nail her in the bedroom, kitchen, living room or wherever she damn well pleases, just as long as he gets to nail her good, but the call of the wild is important to Angel – she's just nastier in the great outdoors.

It might be the scent of the flowers or something in the wind, but once they're outside, she's yanking down Marco's pants and planting her kisser straight onto his cock. She's in control from the get-go, her hot tongue coiling around his shaft until every inch is coated with saliva.

She tells him to sit down so she can ride him, holding her pussy open as she lowers herself onto his twitching prick. Once the first inch is home she plunges down all the way and starts to buck up and down as he reaches around and squeezes on her tits. She's cumming already, and Marco isn't far behind. The other good thing about being outdoors is that you don't have to worry about getting cum on the upholstery...

buddy's cock in my mouth. I counted, telling myself I could make Warren cum in less than ten sucks. I should have bet less than five. Okay, the last one was very hard and prolonged, but I felt his load rising in his balls in time to let him shower every drop on my tits.

Rob would just cum inside my cunt, I thought, but as his dick jumped and twitched inside me, he pulled out and piped a thick, gluey line of cock-cream along my ass crack. I moaned, with only my own pleasure to care about now, as it melted down onto my pussy.

Next, all three guys had a group jerk – all beating their meat with me in the center. Although Rob hadn't cum inside of me, my cunt felt so wet and squishy in my tight panties as I sat playing with my tits. Tony came first, followed by Rob and then Warren. I yelled for Rob to lean his big mirror up against the wall next to me, so I could watch as all three loads dripped down on my belly and PVC-clad crotch. I got so mesmerized just looking at myself, I pulled my panties down and sat frigging off over the sight of it.

Rob's friends left discreetly – he'd arranged blind dates and beer for them. Then he got me on my hands and knees, spunk still dripping off of my tits, and did me from behind. Just minutes later, I had my best orgasm of the night with his prick plowing me deep and the reflection of my quivering, spunk-wet body right in front of me...

STORYBOOK SLUT

To the outside world I am a skilled and eccentric writer known by a nom de plume. I dress the part, wearing perfectly tailored suits, keeping my hair neatly tucked up in a sophisticated bun with my horn rimmed glasses resting gently on the tip of my nose. I rarely make public appearances and keep my private life guarded under lock and key. Although I am known for creating some of the most sexually explicit stories imaginable, nobody really knows how I come up with such cock throbbing material.

The truth is I am a dominatrix, with live-in lovers who obey my every whim. When it's time for me to work, I slip into a skintight, floor-length black gown and take my seat in a gilded chair. Instead of using a computer I write out my stories in a leather-bound book that rests gently on Ramon's back. I rest my feet up onto Niko, my other lover, and begin.

Last night I suffered from the biggest case of writer's block imaginable. As a last resort I used Niko and Ramon as human scratch pads, writing story ideas and filthy words all over their bodies in an attempt to get back on target. When that didn't work I decided to literally fuck my way back to mental clarity.

I snapped my fingers and Niko and Ramon knelt down at my service. "Lick my beaver," I ordered, grabbing their chain leashes and directing them around my snatch. The guys pulled up my dress and spread my legs open wide. Niko attacked my pussy like a rabid beast while Ramon stuck his fingers and tongue deep up my tight asshole.

After several minutes of oral pleasure I pushed them away. The hole fondle hadn't worked and my mind was still fuzzy. "Ramon, stick your cock in my asshole!" I urged, sitting on his lap in cowgirl and wondering if this would do the trick. I slid up and down on his cock like a maniac, trying desperately to mentally work through to the next chapter of the book. Niko came around beside Ramon and started dipping his cock in and out of my mouth, as I strummed his cum-filled balls and asshole.

"Niko... my ass!" I insisted, pushing Ramon aside and resting my leg up onto the chair in standing doggie so Niko would have an opportunity to take charge of my asshole with his signature style as well. He grabbed my hips and fucked me so damn deep that he had me cumming repeatedly. While I continued to ride my

orgasmic rush I thrust three fingers up my snatch to twiddle my G-spot until my pussy too began to climax. I gathered my slit-slush into my palm and slathered it all over Ramon's mouth, while Niko continued to bore my asshole.

"Harder, I'm almost there!" I cried out. When I had enough of the position I laid down on the floor in piledriver, letting each of my men fuck me at will. They each took turns fucking all three of my holes with a flurry of cock and toys. At one point I was completely airtight with every hole being used to perfection.

"More, more, more!" I pleaded, feeling a plausible book idea sweep over me. Desperately wanting to cultivate this rush of inspiration and also to taste their sex-slick sticks, I placed the men in front of my face and began to devour their cocks with the intoxicating skill that I'm pretty well known for.

The guys began to tremble as their knees shook with the onslaught of pre-cum. "It's not time for you to cum yet," I scolded them, continuing to suck their cocks and curve my nails into their butt cheeks.

"I have it!" I suddenly gasped, stringing my story into a perfectly cohesive thought and urging the guys to let loose their loads. After a few more sucks, each in turn shot their semen into my champagne glass. After such a good fuck and what will be a terrific new story, a toast was definitely in order!

DYKES 'N' DILDOS

There I was, lying on the bed with a king-sized dildo jammed in my cunt, waiting for my girlfriend Karen to get home. Every now and then she's in the mood for cock and our deal is, she goes out, has her fun, then comes back home to me.

I haven't fucked a guy in years but I love the idea of her taking a stiff dick. Plus, I love what it does to her. She'll strip naked and lie back with a big, fuck-happy grin on her face, presenting me with a sloppy snatch to suck on. Recently, though, I got an even bigger surprise.

That night's conquest had been one half of a couple, and after Karen had fucked the guy, she brought his wife home for a threeway with us. Her name was Melissa, and she was a very cute, petite brunette.

This chick was hot and aching for a fuck – she'd watched her hubby bone Karen then, in the cab, my girlfriend had touched her up all over her tits and pussy mound, but stopped short of a fingerbang. As Karen undressed her, she drooled over the sight of the dildo in my creamy, stirred-up snatch, so I let her suck it clean. Then I told her to straddle my belly, reverse cowgirl, and lean forward.

She got to work on my cunt, holding it open with one hand while the fingers from the other plunged in

This opened her right up, her pussy swollen and dripping wet. As I pushed the toy inside, the juices splashed on my skin. They tasted good. Then I started shaking as she got to work on my cunt, holding it open with one hand while the fingers from her other plunged in and out.

Karen got in position so Melissa could eat her ass and pussy. Sexually, I'm pretty secure, but hearing the slurping sounds, the loud moans as they got their pleasure, I figured I had serious competition for the first time.

I grabbed some lube out of the nightstand, worked it over Melissa's butthole, then pulled the toy out of her cunt. One quick suck of her sweet juices and I smeared more lube on the shaft – only to hear a disappointed sigh as it went back in the same hole.

Just the response I wanted. I got her cumming with two fingers on her clit, her moans distorted as she buried her face right in Karen's crack. Then I pulled it out... More lube and, finally, I slipped it slowly in her asshole, watching it stretch open.

Now she was eating Karen even harder and deeper, but I was calling the shots. I'd pump and grind, and hear a muffled groan followed by a louder, clearer noise from

my girlfriend, feel a tremor, a tightening under my fingers, and then Karen would moan too.

Melissa had pulled her fingers out of my snatch to focus on Karen, but I didn't mind. I let them finish cumming and told Karen to fetch our strap-on. I watched Melissa crawl around, the dildo still sticking out of her asshole, then Karen pulled it out slow before she fit the strap-on to Melissa's crotch.

She looked so tiny, so petite, lying back on the bed, still a little dizzy from cumming. But she wasn't too delicate. As I sat on the toy, taking it in my cunt, she grabbed my tits and ass, humping against me till I was mashing myself atop her. By the time I came, we were both a mass of sweat, my pussy tight and tugging on the mock cock inside of it.

We've given Melissa an open invitation to join in our fun – maybe I can fuck her one on one while Karen's at her place, doing her old man. I've even said we could have a fourway. I won't fuck him, but I'll be happy to eat any snatch freshly sauced with his jizz!

I'll spill a secret I haven't even told Karen, yet – I got such a massive turn-on watching Melissa fuck her with the strap-on, just as much as when I've done her with it myself. But I've been fantasizing about seeing Karen take a cock, have a guy shunt her real hard from the rear while I look on.

It goes beyond just being okay with her doing guys. I want to see it, watch him give her what I can't – a huge serving of meat right in her cunt with spunk to follow. See if it strikes the same sparks in me as his wife did. Karen and I have been having our best-ever sex since we did Melissa, so I wonder, will a guy up the ante even further?

LIBRARIAN LASH-OUT

Lexi is a squeaky-clean librarian that I've been dating for the past two months. Under normal circumstances I would have dumped her by now since she's never even come to close to giving up her pussy to me. However, there is something about her that keeps me interested.

Maybe it's the way her pointy nipples push through her sweater, the look of her legs adorned with argyle socks, or perhaps it's the way she sucks on my tongue when we are kissing. Whatever, this girl has me constantly tied up into knots and trying to tap her twat has become somewhat of a game for me.

Last night, before our date, I had no idea that I was the one who was about to be played. After sitting through an agonizing hour of orchestral music, Lexi invited me back to her place. As per usual I took my

spot on her sofa and awaited my chance to get to second base. To my surprise, Lexi excused herself to slip into something 'a little more comfortable.'

I was expecting her to emerge in a frumpy flannel nightgown, so Lexi blew me away when she entered the room wearing a latex bodysuit with titty and crotch cut-outs, thigh-high spike boots, a leather whip and a horsetail buttplug hanging out of her asshole.

"Put these on, you're gonna need 'em," she growled, throwing a pair of industrial strength kneepads in my direction. I was completely shocked and dumbfounded. "I said strip down and put those on, stud!" she barked again, this time slashing the whip against the wall. I did what I was

She sucked my cock like a pro and juggled my nuts around her mouth, delivering the best blowjob of my entire life

told, securing the pads around my knees. Truthfully, I felt a little scared of this pint-sized princess that had turned into Pornzilla before my very eyes.

Lexi tilted my head back with the handle of her whip, straddled my head and urged me to smell her hungry cunt. I sniffed her pussy with deep full breaths until my cock felt like it was going to burst. Then she grabbed my hair and held my mouth against her pussy.

"Eat me out!" she ordered me, teasing me with playful lashes of her whip. Her pussy tasted so good that the humiliation of being treated like a little bitch was well worth it. Just as I was about to go in for another taste of twat, Lexi turned around and demanded that I fuck her anus with the buttplug.

I grabbed the toy by the thick strands of horse-hair and made her ass choke on the plastic bulb. She gasped and shook as her asshole got stretched out.

"Do you want to stick your cock in my asshole?" she asked, pulling the plug out and spreading her cheeks open to show me her gaping asshole.

"Hell yeah!" I responded, eager to finally get some hardcore action.

She was still teasing though, as she pushed me onto the sofa and reached for her basket of yarn. To my utter surprise, she pulled out a ball ring. She secured the plastic loop around my balls until they became plump and red. Then she sucked my cock like a pro and juggled my nuts around her mouth, delivering the best blowjob of my entire life.

Finally, she spun her tiny frame around and inserted my prick into her pucker. She bounced wildly up and down in reverse cowgirl, digging her nails into my kneepads and spilling pussy juice all over my legs. Eventually she reached behind the cushion of the sofa, pulling out a vibrator that she shoved up her sloppy slit until a gush of cunt sauce began to cover my lap.

After she came, Lexi disconnected from my cock and pushed me on the ground on my hands and knees. "Spread your asshole," she told me. I went for it and was surprised to feel the incredible sensation of Lexi's tongue up my butthole. It felt incredible. With my face flush to the carpet, I began to stroke my cock while Lexi tongued and fingered my butt. Right as I exploded, she rushed between my legs to catch my cumload in her mouth. She swallowed every last drop leaving me totally drained, shocked and amazed. Like I've heard time and time again... It's always the quiet ones!

"Ridden Hard" – Ohio ♣

MY CONFESSION!

"I LOVE YOUNGER COCK!"

I do payroll for a few companies and there's a guy in his early twenties, I'll call him Simon, who is always getting teased because it's obvious he likes me. Lucky for him I am into younger guys!

One day he came to ask me for an advance on his pay. I was wearing a short denim skirt and tight top, and he couldn't stop staring at my nipples. I asked him if he was still getting teased about me and he said yes, so I spread my legs so he could see my shaven pussy. I told him to take a good look, and I could see his cock was getting hard.

I ran my hand over his crotch and asked if he'd like a closer look. When he nodded, I slipped out of my clothes, then unzipped him and started jacking him off. He said he was close to cumming, so I got on my knees to take his load in my mouth.

It didn't take long to get him stiff again and then I let him lick my cunt before straddling him and guiding his cock into me. We soon hit a good rhythm and I rode him until my orgasm hit me. The feeling of my pussy spasming was all it took to get him shooting his second load inside me.

He was so cunt-struck he almost forgot what he had come for, but I gave him an advance and wished him a very good weekend!

HOW TO BE A STUD!

PART 10: LOCATION LUST!

You don't have to have a mattress with busted springs to be tired of doing it in the same old bed night after night. If you get into a rut by boning somewhere too often, chances are your chick won't realize it's just the location she's sick of – she'll probably think it's you. It ain't just that – even if you love your bed, fucking in unusual places can enhance your sex in so many ways. Just avoid that 'abandoned' rail track...

1: REAMING ROOMS

Flipping the script on sex locations can be as challenging or as safe as you like it. But it works. You might just want to join your babe in the shower unexpectedly, or make those household chores less dull by drilling her over the washing machine. Turn a sedate meal into a messy food-filled fuck on the dining table. There's always a risk of rejection, but nothing ventured, nothing gained. Or to put it another way: you snooze, you lose the cooze.

Doing it at the office is one thing, bringing a friend along is another...

August gets a second opinion from Barry Scott in Brazzers' *Doctor Adventures*.

Shyla Stylez shows Jack Venice she's bitchin' in the kitchen in Brazzers' *Big Tits At Work*.

2: THE ELEMENT OF SURPRISE

She might be surprised and delighted that you've turned up at her office in the middle of the day. But are you bringing her some lunch? No. Well, yes, as long as your frankfurter is on the menu. Lock that office door, pull down the blind and stick your seven inches in her 9 to 5. Just make sure she's hung up on that conference call first...

3: CAUGHT IN THE ACT

More than just a change of scenery, fucking where you can get caught by others can add a real frisson to filling her fanny. Even if you're both nervous, and it's not the best you've ever performed, the sheer fun of it can be relived back at your place later. Try the changing room of a store, the back row of a movie theater or in an elevator. Hey, we're not responsible for any laws you break...

Nikita Denise cooks up Mark Wood's cock in Smash Pictures' *Cheating Housewives 5*.

Kinzie Kenner and Nikki Benz make Mikey Butders' day at the office go a little quicker in Brazzers' *Big Tits At Work*.

Francesca Le gets some alfresco fuckstick from Tommy Gunn in Brazzers' *Mommy Got Boobs*.

4: STAY SAFE

The worst thing you can do is get arrested or hurt – as if it's not bad enough on its own, it's gonna drive you both right back to your bedroom and your rut. Pick places that are stimulating, certainly, but avoid that smelting plant unless you happen to own the place. Try a few safe locations. If it all goes well, you can start to branch out. We're serious about that 'abandoned' rail track though. Don't go there. ♣

FAQ About Xomax

Q. How soon do you see results ?
A. Most men see results with their first dose and increasing results over 60 - 90 days.

Q. Are the results permanent?
A. For most men, if Xomax is taken continuously for three to four months followed by a maintenance program the results are permanent.

Q. How much growth can I realistically expect?
A. Up to 5 inches or more with a increase in width of 50%

Q. Is Xomax natural?
A. Xomax is 100% natural, safe and Doctor recommend for those looking for advanced penis enhancement, plus Xomax has no side effects.

Q. What makes Xomax the #1 natural penis enhancement formula?
A. Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Xomax contains extremely expensive imported ingredients and many manufacturers won't spend that kind of money. Instead, th ey pass off less expensive ingredients, such a Ginseng or low end forms of L-Arginine.

Q. Is Xomax guaranteed to work?
***A.** Xomax is 100% GUARANTEED! If you're not completely satisfied, return the bottle(s) within two months to receive a refund. Men now have an effective way to increase the size of their penis. Why pay for imitations that will not solve the problem? You may spend a little more on Xomax, but the results will be worth it! You often get what you pay for. So remember that the genuine ingredients in Xomax are GUARANTEED to work! Order today – the best money can buy!

STELLIANA & RICARDO

Stelliana has got a pretty low boredom threshold. If it's evening and she's not on a dick, she's restless. That means it's usually time to text a fuckbuddy, but the guy she shares her apartment with, Ricardo, is sick and tired of all these guys coming over at all times of the night to bone this certified hottie. Yup, it's finally his time to shine.

He only has to do the barest of flirting before perma-horny Stelliana is crossing her legs and licking her lips. She's upfront with everything, telling him that if he fucks her right, he can get some pussy from her anytime he wants. That's a no-brainer, so he sets about putting his best moves on her, heading downtown to eat her pussy out with a vengeance. He's got two fingers popping her pussy while he sucks her engorged clit. She's soon crying out for some dick inside her.

Ricardo doesn't disappoint her, tapping that tasty twat up from all angles, bringing her off and leaving her screaming for more before feeding her some fuck fizz. It's win-win for Stelliana – she's just cut her texting bill too... ♣
